A SPACE COAST TRADITION SINCE 1965

Established in 1965 with just 16 members, the Melbourne Municipal Band has grown to more than 80 members and has established a rich tradition of playing free monthly concerts for the citizens of Brevard County. The band also contributes to the community through parades, patriotic concerts and ceremonial performances. In a typical year, the band serves 69,000 concert attendees, and its members—some 30 percent of whom are professional musicians—give 27,000 hours of community service in the form of rehearsals and performance time.
